STERILCLAVE 18 LCD

Codice Documento: RCM0018L

Il seguente manuale e i suoi allegati non possono essere messi o modificati, riprodotti né ceduti a terzi senza l'autorizzazione della **COMINOX s.r.l.**

*This handbook and its annexes may not be tampered with or modified, copied or given to third parties without **COMINOX s.r.l.'s** authorization.*

Certa della Vostra soddisfazione e a disposizione per ogni chiarimento e collaborazione la **COMINOX s.r.l.** augura Buon Lavoro!

*We are sure you will be pleased with your purchase, and are always at your service for any explanations or assistance you may require. **COMINOX s.r.l.** wish You good work!*

Le présent manuel et ses annexes ne peuvent être ni endommagés ni modifiés, ni copiés ni cédés à des tiers sans l'autorisation de la société **COMINOX s.r.l.**

Certains de vous satisfaire et à votre disposition pour toute information et collaboration, **COMINOX s.r.l.** vous souhaite bon travail!

*Das vorliegende Handbuch und seine Anlagen dürfen ohne Genehmigung von der **COMINOX s.r.l.** weder umgestaltet, verändert, reproduziert noch an Dritte weitergegeben werden.*

*Die **COMINOX s.r.l.** ist sich der Zufriedenheit ihrer Kunden gewiß und steht für Informationen aller Art zur Verfügung.*

El manual y los anexos que presentamos no podrán ser manipulados o modificados, ni reproducidos o cedidos a terceros sin la autorización de la **COMINOX s.r.l.**

Estamos ciertos que ustedes quedarán satisfechos, quedamos a vuestra disposición para cualquiera aclaración y colaboración. La **COMINOX s.r.l.** les desea un muy Buen Trabajo!.

Il manuale va conservato con cura per tutta la durata della macchina, di cui è parte integrante; è quindi indispensabile nel caso di cessione della macchina accertarsi che vengano consegnati il manuale e tutti gli allegati (schemi, layout, fondazioni, ecc..)

The handbook must be kept in a safe place throughout the working life of the machine, of which it forms an integral part. If the machine is sold on, ensure that the handbook and all the annexes (diagrams, layouts, foundation drawings etc.) are also consigned.

Le manuel doit être conservé soigneusement pour toute la durée de vie de la machine dont il fait partie intégrante. Il est par conséquent indispensable, en cas de cession de la machine, de s'assurer de la remise du manuel et de toutes les annexes (schémas, layout, fondations etc..).

Das Handbuch ist sorgfältig über die gesamte Standzeit der Maschine aufzubewahren und ist als deren untrennbarer Bestandteil zu betrachten. Bei Verkauf der Maschine ist daher darauf zu achten, daß das Handbuch und sämtliche Anlagen (Pläne, Layout, Fundamentpläne usw.) übergeben werden.

Este manual debe ser conservado cuidadosamente durante toda la duración de la máquina de la cual forma parte integrante, y por lo tanto es indispensable controlar que, en caso de cesión de la máquina, se entregue también el manual con todos sus anexos (esquemas, layout, cimientos, etc.).

Le indicazioni riportate nel presente manuale non sostituiscono le disposizioni di sicurezza e i dati tecnici, per l'installazione e il funzionamento, applicate direttamente sul prodotto, né tantomeno le norme di sicurezza vigenti nel paese di installazione e le regole dettate dal comune buon senso.

The information in this handbook does not replace the safety regulations and technical data for installation and operation applied directly to the machine, the safety norms in force in the country of installation, or the rules dictated by common sense.

Les indications rapportées dans le présent manuel ne remplacent pas les dispositions de sécurité et les données techniques, pour l'installation et le fonctionnement, appliquées directement sur le produit, ni d'ailleurs les normes de sécurité en vigueur dans le pays d'installation et les règles dictées par le bon sens commun.

Die im vorliegenden Handbuch aufgeführten Anweisungen ersetzen nicht die Sicherheitsvorschriften und die technischen Daten für die Installation und den Betrieb, die direkt an der Maschine ausgewiesen sind, sowie auch nicht die im Einsatzland geltenden Sicherheitsvorschriften und die allgemeinen Verhaltensregeln.

Las indicaciones anotadas en el presente manual no substituyen las disposiciones de seguridad y los datos técnicos para la instalación y funcionamiento que se aplican directamente al producto, ni tampoco las normas de seguridad que están en vigencia en el país donde se instalará la máquina y las reglas que dicta el sentido común.

E' comunque necessario considerare che questo documento non può sopperire a carenze tecniche o intellettive che operatori e manutentori devono comunque possedere.

Bear in mind that this document cannot compensate for the shortcomings of operatives or maintenance staff who do not have the necessary technical skills or mental abilities .

Il est nécessaire de considérer que ce document ne peut faire face aux carences techniques ou intellectuelles des opérateurs.

Technische Kenntnisse und Fähigkeiten des Bedien- und Wartungspersonals werden vorausgesetzt. Das vorliegende Handbuch kann eventuelle Mängel in dieser Hinsicht nicht ausgleichen.

De todos modos es necesario considerar que este documento no puede reemplazar los conocimientos técnicos e intelectuales que los operadores y encargados del mantenimiento deben tener.

Per la richiesta delle parti di ricambio comunicare:

- Macchina Modello
- Matricola
- Numero del particolare
- Numero di pagina
- Descrizione del particolare
- Quantità desiderata
- Per il materiale elettrico indicare inoltre tensione (Volt) e frequenza (Hz)

Per usufruire delle condizioni di garanzia utilizzare solo ricambi originali.

By request for spare parts please mention:

- *Type of machine*
- *Serial number*
- *Number of spare part*
- *Page number*
- *Item denomination - Quantity*
- *For the electric material mention moreover the voltage (Volt) and the frequency (Hz)*

For warranty coverage original spare parts must be used.

Pour la demande des pièces détachées citer:

- Machine modèle
- Matricule
- Numéro de la pièce demandée
- Numéro de la page
- Denomination de cette pièce
- Quantité demandée
- Pour le matériel électrique, indiquer, en outre, la tension (Volt) et la fréquence (Hz)

Pour bénéficier des conditions de garantie, ne se servir que de pièces de rechange d'origine.

Anweisungen zur bestellung:

- *Maschinentyp*
- *Seriennummer*
- *Ersatzteilnummer - Seitennummer*
- *Bezeichnung des ersatzteiles*
- *Gewünschte Menge*
- *Fuer den elektrische Werkstoff zeigen ausserdem Spannung (Volt) und Frequenz (Hz)*

Garantie wird nur bei Verwendung von Original-Ersatzteilen gewährt.

Para el encargo de las piezas de repuesto citar:

- Model de maquina
- Numero de registro
- Numero de la pieza de repuesto
- Numero de la pagina
- Denominacion de la pieza
- Cantidad requerida
- Para el material eléctrico indicar además la tensión (Volt) y frecuencia (Hz)

Para agozar del derecho de garantía usar solamente repuestos originales.
